

## Greetings from Wintringham!

There are a few things you'll want to know about the quality and cost of our accommodation.

### ACCOMMODATION PRICING

All residents pay a daily care fee being 85% of the Aged Care pension.

#### SUPPORTED ROOM

If the pension is your only income and you have assets under \$50,500, there is nothing more to pay. You will have what is known as a 'Supported Room'. There are 36 Supported Rooms at Williamstown Hostel.

#### NON SUPPORTED ROOM

There are also 24 Non-Supported Rooms at Williamstown. These are for people who have assets over \$50,500. Non-Supported Rooms incur additional accommodation charges regulated by the Australian Government ([www.myagedcare.gov.au](http://www.myagedcare.gov.au)).

The level of the accommodation charge for Non-Supported Rooms is agreed with you based on your individual financial circumstances.

You can choose to pay for the accommodation charge by a refundable deposit, a daily payment, or a combination of both.

A refundable deposit is paid as a lump sum. At Williamstown, the standard Refundable Accommodation Deposit (RAD) is \$500,000. A daily payment accrues daily and is paid periodically, for example monthly. At Williamstown, the standard Daily Accommodation Payment (DAP) is \$67.26.

An alternative is to make a partial lump sum payment combined with a daily payment. For instance, at the standard level, a 50% refundable deposit combined with a 50% daily payment would amount to \$250,000 RAD and \$33.63 DAP.
