I hope this letter finds you well during these challenging times. I'd again like to reassure you, that we are committed to providing you with the support you need during this Coronavirus (COVID-19) pandemic.

We are writing regarding the Stage 4 Restrictions that are in place for Metropolitan Melbourne that commenced from 6pm, Sunday 2 August.

What do Stage 4 Restrictions mean for you?

Curfew – From 8pm to 5am, you CANNOT LEAVE YOUR HOME unless for work, and essential health, care or safety reasons.

Visitors – You cannot have any visitors in your home unless they are providing you with care.

Masks – You must wear a mask when outside your home, unless you have an exemption.

5km radius – You must stay within 5 kilometres from your home when exercising or going shopping.

There are only 4 reasons to leave your home:

- shopping for food and essential supplies, only one person from each household, and only once per day
- medical, care or compassionate needs
- exercise, which may be with only one other person regardless of whether you live with them or not, and for no longer than one hour
- work, if you can't work from home

If residents are not complying with these restrictions, Wintringham will have no alternative but to contact the Police. This is for your own safety, the safety of other residents and the community.

Please contact your support worker if you require any form of assistance including help getting food, medication and essential supplies.

Thank you for your co-operation and please take care during these difficult times.

Yours sincerely
