DESCRIPTION OF ROOMS & ACCOMMODATION PAYMENTS

Greetings from Wintringham!

There are a few things you'll want to know about the quality and cost of our accommodation.

ACCOMMODATION PRICING

All residents pay a daily care fee being 85% of the Aged Care pension.

SUPPORTED ROOMS

If the pension is your only income and you have assets under $66,500, there is nothing more to pay. You will have what is known as a 'Supported Room'. There are 25 Supported Rooms at Wintringham McLean Lodge.

NON SUPPORTED ROOMS

There are also 2 Non-Supported Rooms at McLean Lodge. These are for people who have assets over $64,500. Non-Supported Rooms incur additional accommodation charges regulated by the Australian Government (www.myagedcare.gov.au).The level of the accommodation charge for Non-Supported Rooms is agreed with you based on your individual financial circumstances.

You can choose to pay for the accommodation charge by a refundable deposit, a daily payment, or a combination of both.

A refundable deposit is paid as a lump sum. A daily retention fee will be applied after 1 November 2025 at rate of 2% of the refundable deposit balance per annum, capped at a maximum period of 5 years. At McLean, the standard Refundable Accommodation Deposit (RAD) is $550,000.

A daily payment accrues daily and is paid periodically, for example fortnightly. At McLean, the standard Daily Accommodation Payment (DAP) is $128.23 and will be indexed twice per year in March and September in line with changes in the CPI.

An alternative is to make a partial lump sum payment combined with a daily payment. For instance, at the standard level, a 50% refundable deposit combined with a 50% daily payment would amount to $275,000 RAD and $64.12 DAP.
